

PRAYER UPDATE

Monday, 07 August 2023

Thank you for praying for HFA! Below you will find some of our recent prayer requests.

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." - Ephesians 3:20

PRAISE POINTS

- Praise the Lord for the return of one of our HFA team members home after a fruitful time in Europe; may all the partnerships and connections made during this trip grow and develop further.
- Praise God for the opportunity to speak at a church in Melbourne last week and for the interest shown by the attendees.
- Praise the Lord for a potential new volunteer joining the HFA team locally.
- Praise the Lord for progress and a move of God over the region of Asia.

PRAYER POINTS

- Pray for the health of HFA team members and family, for miraculous healings and breakthrough in this area.
- Pray for God's favour over Australia and more opportunities to speak and inspire churches to continue to pray for and engage with people groups that remain unreached.
- Pray for a banking situation to be solved soon, as we continue to trust God for His provision of our daily bread.
- Pray for a new HFA network in Europe that will meet for the first time this month, for wisdom and guidance as foundations are laid in that region

UNREACHED PEOPLE

This category is a tool to raise awareness and pray for the unreached. Please note that HFA is not necessarily involved in reaching the people groups mentioned in this section.

Kluet in Indonesia

The Kluet people live in a remote area and speak three different dialects. The area where they live is fertile so their main source of livelihood is farming as well as raising livestock and fishing. They usually do not mix with other people groups, thus they are closed to outsiders. In regards to their religious beliefs, they associate themselves with Islam and its customs and traditions.

- Pray for the Holy Spirit to open their hearts to receive others into their people group, and consequently being open to Christian workers to preach to them.
- Pray for medical assistance for this people group as malaria, poor nutrition and dengue attack them on a daily basis.
- Pray for Christian people who would go to this nation and reach this people group.
- Pray for freedom for the Kluet people as they believe in evil spirits and magic, and are oppressed by fear.
