

PRAYER UPDATE

Monday, 11 December 2023

Thank you for praying for HFA! Below you will find some of our recent prayer requests.

"Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart." - Jeremiah 29:12-13

PRAISE POINTS

- Thanks be to God for His provision, enabling and grace to HFA throughout 2023. HFA is now 10 years old; we praise God for His faithfulness.
- We thank God that plans to visit partner organisations in the coming year are progressing. Praise God the doors for effective service remain open.
- Praise God for the 'Tinkerer's Expo' in Switzerland, where the public could explore the different ways technology can be used in mission.
- We praise God for the opportunity to gather as a full team with volunteers involved in HFA since the beginning over our Thanksgiving Dinner this weekend.

PRAYER POINTS

- Pray for an indigenous convert and missionary recuperating in Europe after difficult experiences in a tribal environment.
- Pray for the faithful volunteers in our network who give extravagantly of their time over a long period, often through adversity.
- Pray for more ongoing connections with the Body of Christ in Australia, leading to greater awareness of the unreached.
- Please ask our heavenly Father to continue to 'give us our daily bread', in order that projects and the network may move forward, and the unreached be reached.

UNREACHED PEOPLE

This category is a tool to raise awareness and pray for the unreached. Please note that HFA is not necessarily involved in reaching the people groups mentioned in this section.

Pashtun in India

The Pashtun people group has been known as one of the largest muslim tribal society in the world, they speak their own language known as Pakhtu or Pashto which is quite complex and has many different dialects within it. There has been efforts to reach this group since 1818, and despite progressing with some partial Bible translations and evangelising, a culture of discipleship has not been established yet.

- Ask God's Spirit to soften hearts to the truth of the Gospel, to confirm the Word with signs following, and to reveal Christ to the minds and hearts of Pashtun.
- Ask God to anoint, and grant wisdom, favour and fruitfulness to workers and agencies focused on the Pashtun.
- Most Pashtun women are troubled by fears and have deep needs. Ask God to touch their hearts, deliver them from evil spirits and to help them put their faith in God.
- Pray for each subgroup of Pashtuns in India to have an encounter with Christ which will bless them economically and spiritually.
