

## PRAYER UPDATE

Friday, 5<sup>th</sup> January 2024

---

***Thank you for praying for HFA! Below you will find some of our recent prayer requests.***

"Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths." - Proverbs 3: 5-6.

---

### PRAISE POINTS

- Praise the Lord for His faithfulness and an overflowing of provision for all of the HFA endeavours.
- Praise God for two staff members enjoying a time of refreshment and rest prior to embarking in a great adventure of growth for the HFA family in the United Kingdom.
- Praise God for this New Year! Praise Him in advance for great opportunities to reach out to those who do not yet know about Jesus.
- *"I will give thanks to you, Lord, with all my heart; I will tell of all your wonderful deeds." Psalm 9:1.*

### PRAYER POINTS

- Pray for HFA Network team members participating in a conference about missions in Europe this weekend. Ask God for meaningful conversations and connections that will bear great fruit.
- Pray again for the waterdrone launched recently, to miraculously regain lost communication with the satellite and for protection over it.
- Ask God for wisdom and guidance for all of the HFA network organisations, both existing and planned. That as we 'enlarge our tent' and 'spread out to the right and to the left', God's presence will be tangible in every step of the way.
- Pray for the analysis of video footage to find new unreached people groups in jungle environments, may the imaging be clear for everyone on the team and may it result in local missionaries being empowered to find them.

## UNREACHED PEOPLE

This category is a tool to raise awareness and pray for the unreached. Please note that HFA is not necessarily involved in reaching the people groups mentioned in this section.

### **Yemeni Arab in Yemen**

The Yemeni Arab are located in the Arab peninsula. They structure their community in over 1700 different tribes and clans and have leaders called 'sheiks' for each of them. Each village is built with a fortress-like design to be easily defended. They are muslims which inherently means nobody is allowed to profess faith in Jesus or evangelize within their people group.

- Pray that God will raise up faithful intercessors who will stand in the gap for Yemeni Arabs.
- Ask the Holy Spirit to open the hearts of Arabs towards Christians so that they will be receptive to the Gospel.
- Ask God to give Yemeni Arab believers opportunities to share the love of Christ with their own people.
- Ask the Lord to raise up strong local churches among Yemeni Arabs.
