*"He makes wars cease to the ends of the earth. He breaks the bow and shatters the spear; he burns the shields with fire. He says, "Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth." Psalm 46:9-10 NIV*

## UNREACHED PEOPLE

*This category is a tool to raise awareness and pray for the unreached. Please note that HFA is not necessarily involved in reaching the people groups mentioned in this section.*

### **Burmese in Myanmar**

*The Burmese people group, primarily located in Myanmar, rely on agriculture, especially rice farming, for their livelihood. Predominantly Buddhists with animistic practices, they seek to appease pagan spirits for protection. Despite available Christian resources, they remain largely unreached due to deep-seated religious traditions and lack of exposure to the Gospel in their language. Earlier this year, the Myanmar military intentionally detonated a bomb in St. Peter Baptist Church, causing significant destruction, injuries, and the tragic death of innocent believers. This event has raised concerns about a return to oppressive regimes, severely impacting the church in Myanmar.*

- Pray for freedom for the Burmese people, to be able to access information freely.
- Pray for the Burmese people group to have an encounter with God that will bring the conviction of the Holy Spirit, and all of His fruits.
- Pray for the authorities in Myanmar to have wisdom, kindness and compassion for their nation, as the people they were entrusted to care for.
- Pray for healing and restoration in the families of those who have lost their love ones in the many civil wars that the country has faced.
