

PRAYER UPDATE

Tuesday, 28 October 2025

Thank you for praying for HFA! Below you will find some of our recent prayer requests.

"In the same way, the Spirit helps us in our weakness. We do not know what we ought to pray for, but the Spirit himself intercedes for us through wordless groans." - Romans 8:26

PRAISE POINTS

- Praise the Lord for the recent visit of a project partner organisation. We are thankful for their continued partnership and friendship.
- Praise God for the ongoing streamlining of a water drone as epoxy is applied and sanded.
- Praise God for an amazing time of encouragement, challenge, prayer and fellowship for local staff and volunteers at the recent *HFA* prayer retreat.
- ***"Lord, you are my God; I will exalt you and praise your name, for in perfect faithfulness you have done wonderful things, things planned long ago." Isaiah 25:1***

PRAYER POINTS

- Pray for our South American partners as they test a long range transmission system that would be useful in identifying tribal language prior to making contact.
- Please pray for open doors for meetings with mission minded business organisations to help with advice for growing our supporter base.
- Ask God for the skill, strength and wisdom for work yet to be completed in the final months of the year. Especially in teams around the world that are facing considerable health challenges.
- Pray for **expectation** for everything that the Lord is going to do with the water drone project and its fruits; for **expansion** and new resources for reaching the unreached and **encounters** with God that will bring wisdom and revelation.

A WORD OF ENCOURAGEMENT

This week we chose to share the story and testimony of Elizabeth Elliot, please watch and be encouraged.

"Obedience is our task, the results of that obedience are God's".

Elizabeth Elliot was a hero of the faith, a woman that chose to put her own grief and pain aside to pursue the call of God on her life causing a generational impact on a tribe in Ecuador.
