

PRAYER UPDATE

Friday, 21 November 2025

Thank you for praying for HFA! Below you will find some of our recent prayer requests.

"Then you will call on me and come and pray to me, and I will listen to you." - Jeremiah 29:12

PRAISE POINTS

- Praise God for our partners near and far, and the privilege of working together to fulfil God's purposes.
- Praise God for the safe arrival of an overseas volunteer who has returned for a second visit and for his friends who assisted him with the *HFA* work he did in his home country.
- Thank the Lord for the arrival of some key water drone components that will help us move closer to completion.
- Thank God for an inspiring and encouraging in person meeting of trustees of the future United Kingdom Network organisation.

PRAYER POINTS

- Pray for the transport, logistics and final planning for an indigenous evangelist and his wife to travel to a South American village near unreached tribes in mid December.
- Pray for an overseas volunteer who has returned to work with us in Australia for several more months. For health, creativity and the ability to finalise the water drone component that he is working on.

- Pray for the legal setup of a new organisation in the United Kingdom that desires to join us in the HFA Network. Pray for the new team as they navigate forming the organisation.
- Continue to pray for a volunteer office administrator to provide much needed help in Melbourne.

UNREACHED PEOPLE

This category is a tool to raise awareness and pray for the unreached. Please note that HFA is not necessarily involved in reaching the people groups mentioned in this section.

Amri in Sudan

Many tribes and people groups in Africa were influenced by the waves of Arabs that invaded North Africa in the seventh and eleventh centuries, the Amri people is one of them. They are located in South Sudan, one of the poorest regions in Africa where agriculture and livestock raising are the common source of income. They follow the Islamic faith.

- Ask the Lord to call people who are willing to go to North Africa and share Christ with them.
- Pray that the Christians of South Sudan will be compelled to take the Gospel to their unreached neighbors, friends, and families.
- Ask the Lord to raise up Christian medical teams to work among the Arabized tribes.
- Pray that Amri communities and families will be transformed with the gospel, growing roots downward and planting strong churches that will plant other churches.
